What happens next?

Your application will be forwarded to the EBV Programming Committee.
Bands selected to perform at EBV 2019 will be informed in **January 2019.**

If your band is selected to showcase at EBV, we will need your confirmation shortly after that. Then you will also be requested to send in a stage-plan, a band-picture and your availability for the days of EBV.

Local gigs

The application form on the next page also allows you to express your interest in local gigs.

We aim to arrange local gigs near the EBV venue, mainly in the towns of Voorthuizen and Barneveld. **These performances are acoustic only and not amplified.**

Gigs will be arranged in restaurants and bars, often outside on terraces. Gigs will earn the band a standard fee, maximized by Dutch tax regulations (in 2018 that was €70,-). Band transportation to and from the venues will be arranged.
